- a) For the improvement of the course, I would like to make the following comments ...

The discussions of the PS regarding the assignment solutions could be a bit faster, maybe if the final right solutions would be presented with it's 100% guarantee that it's a ~~off~~ right solution — and so the information behind. But generally the discussions of the solutions where okay and understandable also reasonable.

- b) What I liked about the course was...

The many assignments from week to week. Honestly! It's very useful to learn continuously and to really learn.
